PROCLAMATION #2020-01

Proclamation #2020-01 was presented declaring the month of May 2020 as Building Safety Month in Brandon, SD.

Proclamation

Building Safety Month — May, 2020

Whereas, our Brandon, South Dakota is committed to recognizing that our growth and strength depends on the safety and economic value of the homes, buildings and infrastructure that serve our citizens, both in everyday life and in times of natural disaster, and;

Whereas, our confidence in the structural integrity of these buildings that make up our community is achieved through the devotion of vigilant guardians—building safety and fire prevention officials, architects, engineers, builders, tradespeople, design professionals, laborers, plumbers and others in the construction industry—who work year-round to ensure the safe construction of buildings, and;

Whereas, these guardians are dedicated members of the International Code Council, a nonprofit that brings together local, state and federal officials that are experts in the built environment to create and implement the highest-quality codes to protect us in the buildings where we live, learn, work, play, and;

Whereas, our nation benefits economically and technologically from using the International Codes that are developed by a national, voluntary consensus codes and standards developing organization, our government is able to avoid the high cost and complexity of developing and maintaining these codes, which are the most widely adopted building safety and fire prevention codes in the world;

Whereas, these modern building codes include safeguards to protect the public from natural disasters such as hurricanes, snowstorms, tornadoes, wildland fires, floods and earthquake; which, according to a FEMA commissioned study by the National Institute of Building Sciences, provide \$11 in future mitigation benefits for every dollar invested, and;

Whereas, Building Safety Month is sponsored by the International Code Council to remind the public about the critical role of our communities' largely unknown protectors of public safety—our local code officials—who assure us of safe, efficient and livable buildings that are essential to America's prosperity, and;

Whereas, "Safer Buildings, Safer Communities, Safer World," the theme for Building Safety Month 2020, encourages all Americans to raise awareness about the importance of safe and resilient construction; fire prevention; disaster mitigation, and new technologies in the construction industry. Building Safety Month 2020 encourages appropriate steps everyone can take to ensure the safety of our built environment, and recognizes that the implementation of safety codes by local and state agencies has saved lives and protected homes and businesses, and;

Whereas, each year, in observance of Building Safety Month, Americans are asked to consider the commitment to improve building safety and economic investment at home and in the community, and to acknowledge the essential service provided to all of us by local and state building departments, fire prevention bureaus and federal agencies in protecting lives and property.

NOW, THEREFORE, I, Paul Lundberg Mayor of the City of Brandon, South Dakota, do hereby proclaim the month of May 2020 as Building Safety Month. Accordingly, I encourage our citizens to join with their communities in participation in Building Safety Month activities.

Mayor

denomination. All Bonds issued under the Resolution shall be substantially in the form set forth in Exhibit A attached hereto, and by this reference incorporated herein as fully as though copied.

(b) The Bonds shall be executed in such manner as may be prescribed by applicable law in the name and on behalf of the City with the manual or facsimile signature of the Mayor, attested by the manual or facsimile signature of the City Finance Officer, and approved as to form and countersigned by a Resident Attorney by his manual or facsimile signature.

(c) In the event any officer whose manual or facsimile signature shall appear on any Bond shall cease to be such officer before the delivery of such Bond, such manual or such facsimile signature shall nevertheless be valid and sufficient for all purposes as if he or she had remained in office until such delivery. Any Bond may bear the facsimile signature of, or may be manually signed by, such individuals who, at the actual time of the execution of such Bond, were the proper officers of the City to sign such Bond, although on the date of the adoption by the City of this Resolution, such individuals may not have been such officers.

Section 4.3 Maturities, Interest Rates, and Certain Other Provisions of Bonds.

(a) The Bonds shall become due and payable and be subject to the terms and conditions as are set forth in the Bond Purchase Agreement.

(b) The Bonds shall be designated “Sales Tax Revenue Bonds, Series 2020,” or such other designation as shall be determined by the City Council pursuant to Section 8.1 hereof. The Bonds shall bear interest from their date or from the most recent interest payment date to which interest has been paid or duly provided for, until the principal amount of the Bonds is paid, such interest (computed upon the basis of a 360-day year of twelve 30-day months unless otherwise provided by the Bond Purchase Agreement) being payable on Interest Payment Dates. Interest on each Bond shall be paid by wire transfer, check or draft of the Paying Agent, payable in lawful money of the United States of America, to the person in whose name such Bond is registered at the close of business on the Record Date. The principal of the Bond shall be payable in lawful money of the United States of America at the principal office of the Paying Agent on the Bond Payment Date. Each Bond shall state that it is issued pursuant to the Act.

(c) The Paying Agent and Registrar shall make all interest payments with respect to the Bonds on each interest payment date directly to the registered owners as shown on the bond registration records maintained by the Paying Agent and Registrar as of the close of business on the Record Date by wire transfer, check or draft mailed to such owners at their addresses shown on said bond registration records, without, except for final payment, the presentation or surrender of such registered Bonds, and all such payments shall discharge the obligations of the City in respect of such Bonds to the extent of the payments so made. Payment of principal and premium, if any, on the Bonds shall be made upon presentation and surrender of such Bonds to the Paying Agent and Registrar as the same shall become due and payable.

Section 4.4 Negotiability of Bonds.

All Bonds issued under this Resolution shall be negotiable, subject to the provisions for registration and transfer contained in this Resolution and in the Bonds.

Section 4.5 Registration, Transfer and Exchange of Bonds.

(a) The Bonds are transferable only by presentation to the Paying Agent and Registrar by the registered owner, or his legal representative duly authorized in writing, of the registered bond(s) to be transferred with the form of assignment on the reverse side thereof completed in full and signed with the name of the registered owner as it appears upon the face of the bond(s) accompanied by appropriate documentation necessary to prove the legal capacity of any legal representative of the registered owner. Upon receipt of the bond(s) in such form and with such documentation, if any, the Paying Agent and Registrar shall issue a new bond or bonds to the assignee(s) in \$5,000 denominations, or integral multiples thereof, as requested by the registered owner requesting transfer. The Paying Agent and Registrar shall not be required to transfer or exchange any bond during the period commencing on a Record Date and ending on the corresponding interest payment date of such bond, nor to transfer or exchange any bond after the publication of notice calling such bond for redemption has been made, nor to transfer or exchange any bond during the period following the receipt of instructions from the City to call such bond for redemption; provided, the Paying Agent and Registrar, at its option, may make transfers after any of said dates. No charge shall be made to any registered owner for the privilege of transferring any Bonds, provided that any transfer tax relating to such transaction shall be paid by the registered owner requesting transfer. The person in whose name any bond shall be registered shall be deemed and regarded as the absolute owner thereof for all purposes and neither the City nor the Paying Agent and Registrar shall be affected by any notice to the contrary whether or not any payments due on the Bonds shall be overdue. Bonds, upon surrender to the Paying Agent and Registrar, may, at the option of the registered owner, be exchanged for an equal aggregate principal amount of Bonds of the same maturity in any authorized denomination or denominations.

(b) Except as otherwise provided in this subsection or in the Bond Purchase Agreement, the Bonds shall be registered in the name of Cede & Co., as nominee of DTC, which will act as securities depository for the Bonds. References in this Section to a Bond or the Bonds shall be construed to mean the Bond or the Bonds that are held under the Book-Entry System. One Bond for each maturity shall be issued to DTC and immobilized in its custody. Unless otherwise provided herein, a Book-Entry System shall be employed, evidencing ownership of the Bonds in authorized denominations, with transfers of beneficial ownership affected on the records of DTC and the DTC Participants pursuant to rules and procedures established by DTC.

Each DTC Participant shall be credited in the records of DTC with the amount of such DTC Participant's interest in the Bonds. Beneficial ownership interests in the Bonds may be purchased by or through DTC Participants. The holders of these beneficial ownership interests are herein referred to as the "Beneficial Owners." The Beneficial Owners shall not receive the Bonds

representing their beneficial ownership interests. The ownership interests of each Beneficial Owner shall be recorded through the records of the DTC Participant from which such Beneficial Owner purchased its Bonds. Transfers of ownership interests in the Bonds shall be accomplished by book entries made by DTC and, in turn, by DTC Participants acting on behalf of Beneficial Owners. SO LONG AS CEDE & CO., AS NOMINEE FOR DTC, IS THE REGISTERED OWNER OF THE BONDS, THE PAYING AGENT AND REGISTRAR SHALL TREAT CEDE & CO., AS THE ONLY HOLDER OF THE BONDS FOR ALL PURPOSES UNDER THIS RESOLUTION, INCLUDING RECEIPT OF ALL PRINCIPAL OF, PREMIUM, IF ANY, AND INTEREST ON THE BONDS, RECEIPT OF NOTICES, VOTING AND REQUESTING OR DIRECTING THE PAYING AGENT AND REGISTRAR TO TAKE OR NOT TO TAKE, OR CONSENTING TO, CERTAIN ACTIONS UNDER THIS BOND RESOLUTION.

Payments of principal, interest, and redemption premium, if any, with respect to the Bonds, so long as DTC is the only owner of the Bonds, shall be paid by the Paying Agent and Registrar directly to DTC or its nominee, Cede & Co., as provided in the Letter of Representation. DTC shall remit such payments to DTC Participants, and such payments thereafter shall be paid by DTC Participants to the Beneficial Owners. Neither the City nor the Paying Agent and Registrar shall be responsible or liable for payment by DTC or DTC Participants, for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or DTC Participants.

In the event that (1) DTC determines not to continue to act as securities depository for the Bonds or (2) the City determines that the continuation of the Book-Entry System of evidence and transfer of ownership of the Bonds would adversely affect their interests or the interests of the Beneficial Owners of the Bonds, the City may discontinue the Book-Entry System with DTC. If the City fails to identify another qualified securities depository to replace DTC, the City shall cause the Paying Agent and Registrar to authenticate and deliver replacement Bonds in the form of fully registered Bonds to each Beneficial Owner.

NEITHER THE CITY NOR THE PAYING AGENT AND REGISTRAR SHALL HAVE ANY RESPONSIBILITY OR OBLIGATIONS TO ANY DTC PARTICIPANT OR ANY BENEFICIAL OWNER WITH RESPECT TO (i) THE BONDS; (ii) THE ACCURACY OF ANY RECORDS MAINTAINED BY DTC OR ANY DTC PARTICIPANT; (iii) THE PAYMENT BY DTC OR ANY DTC PARTICIPANT OF ANY AMOUNT DUE TO ANY BENEFICIAL OWNER IN RESPECT OF THE PRINCIPAL OF AND INTEREST ON THE BONDS; (iv) THE DELIVERY OR TIMELINESS OF DELIVERY BY DTC OR ANY DTC PARTICIPANT OF ANY NOTICE DUE TO ANY BENEFICIAL OWNER THAT IS REQUIRED OR PERMITTED UNDER THE TERMS OF THIS BOND RESOLUTION TO BE GIVEN TO BENEFICIAL OWNERS, (v) THE SELECTION OF BENEFICIAL OWNERS TO RECEIVE PAYMENTS IN THE EVENT OF ANY PARTIAL REDEMPTION OF THE BONDS; OR (vi) ANY CONSENT GIVEN OR OTHER ACTION TAKEN BY DTC, OR ITS NOMINEE, CEDE & CO., AS OWNER.

SO LONG AS A BOOK-ENTRY SYSTEM OF EVIDENCE OF TRANSFER OF

OWNERSHIP OF ALL THE BONDS IS MAINTAINED IN ACCORDANCE HEREWITH, THE PROVISIONS OF THIS RESOLUTION RELATING TO THE DELIVERY OF PHYSICAL BOND CERTIFICATES SHALL BE DEEMED INAPPLICABLE OR BE OTHERWISE SO CONSTRUED AS TO GIVE FULL EFFECT TO SUCH BOOK-ENTRY SYSTEM. IF THE PROVISIONS OF THE LETTER OF REPRESENTATION SHALL BE IN CONFLICT WITH THE PROVISIONS OF THIS RESOLUTION AS SAID PROVISIONS RELATE TO DTC, THE PROVISIONS OF THE LETTER OF REPRESENTATION SHALL CONTROL.

Section 4.6 Mutilated, Lost, Stolen, or Destroyed Bonds.

(a) In the event any bond is mutilated, lost, stolen, or destroyed, the City may execute, and upon the request of an Authorized Officer of the City the Paying Agent and Registrar shall authenticate and deliver, a new bond of like maturity, interest rate, and principal amount, and bearing the same number (but with appropriate designation indicating that such new bond is a replacement bond) as the mutilated, destroyed, lost, or stolen bond, in exchange for the mutilated bond or in substitution for the bond so destroyed, lost, or stolen. In every case of exchange or substitution, the bondholder shall furnish to the City and the Paying Agent and Registrar: (1) such security or indemnity as may be required by them to save each of them harmless from all risks, however remote; and, (2) evidence to their satisfaction of the mutilation, destruction, loss, or theft of the subject bond and the ownership thereof. Upon the issuance of any bond upon such exchange or substitution, the City and the Paying Agent and Registrar may require the Owner thereof to pay a sum sufficient to defray any tax or other governmental charge that may be imposed in relation thereto and any other expenses, including printing costs and counsel fees, of the City and the Paying Agent and Registrar. In the event any Bond which has matured or is about to mature shall become mutilated or be destroyed, lost, or stolen, the City may, instead of issuing a Bond in exchange or substitution therefor, pay or authorize the payment of the same (without surrender thereof except in the case of a mutilated bond) if the Owner thereof shall pay all costs and expenses, including attorneys' fees, incurred by the City and the Paying Agent and Registrar in connection herewith, as well as a sum sufficient to defray any tax or other governmental charge that may be imposed in relation thereto and shall furnish to the City and the Paying Agent and Registrar such security or indemnity as they may require to save them harmless and evidence to the satisfaction of the City and the Paying Agent and Registrar the mutilation, destruction, loss, or theft of such Bond and of the ownership thereof.

(b) Every bond issued pursuant to the provisions of this section shall constitute an additional contractual obligation of the City (whether or not the destroyed, lost, or stolen bond shall be found at any time to be enforceable) and shall be entitled to all the benefits of this Bond Resolution equally and proportionately with any and all other Bonds duly issued under this Bond Resolution.

(c) All Bonds shall be held and owned upon the express condition that the provisions of this Section are exclusive, with respect to the replacement or payment of mutilated, destroyed, lost, or stolen Bonds, and, to the maximum extent legally permissible, shall preclude all other rights

or remedies, notwithstanding any law or statute now existing or hereafter enacted to the contrary.

Section 4.7 Authentication.

The Paying Agent and Registrar is hereby authorized to authenticate and deliver the Bonds to the Underwriter or as it may designate upon receipt by the City of the proceeds of the sale thereof, to authenticate and deliver Bonds in exchange for Bonds of the same principal amount delivered for transfer upon receipt of the bond(s) to be transferred in proper form with proper documentation as hereinabove described. The Bonds shall not be valid for any purpose unless authenticated by the Paying Agent and Registrar by the manual signature of an officer thereof on the certificate set forth herein on the bond form.

Section 4.8. Qualification for DTC.

The Paying Agent and Registrar is hereby authorized to take such actions as may be necessary from time to time to qualify and maintain the Bonds for deposit with DTC, including but not limited to, wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by the DTC (or any of its designees identified to the Paying Agent and Registrar) by overnight delivery, courier service, telegram, telecopy or other similar means of communication. No such arrangements with DTC may adversely affect the interest of any of the Owners of the Bonds, provided, however, that the Paying Agent and Registrar shall not be liable with respect to any such arrangements it may make pursuant to this section.

Whereupon, the Paying Agent and Registrar shall hold such monies, without liability for interest thereon, for the benefit of the Owner of such Bond who shall thereafter be restricted exclusively to such monies for any claim under the Resolution or on, or with respect to, said Bonds.

(b) If any Bond shall not be presented for payment within a period of five years following the date when such Bond becomes due, whether by maturity or otherwise, the Paying Agent and Registrar shall, subject to the provisions of any applicable escheat or other similar law, pay to the City any monies then held by the Paying Agent and Registrar for the payment of such Bond and such Bond shall (subject to the defense of any applicable statute of limitation) thereafter constitute an unsecured obligation of the City.

Section 9.2. Payments Due on Saturdays, Sundays, and Holidays.

Section 9.3. Miscellaneous Acts.

The appropriate officers of the City are hereby authorized, empowered, and directed to do any and all such acts and things, and to execute, acknowledge, deliver, and, if applicable file or record, or cause to be filed or recorded, in any appropriate public offices, all such documents, instruments, and certifications, in addition to those acts, things, documents, instruments, and certifications hereinbefore authorized and approved, as may, in their discretion, be necessary or desirable to implement or comply with the intent of the Bond Resolution, or any of the documents herein authorized and approved, or for the authorization, issuance, and delivery by

If any one or more of the provisions of the Bond Resolution, or of any exhibit or attachment thereto, shall be held invalid, illegal, or unenforceable in any respect, by final decree of any court of lawful jurisdiction, such invalidity, illegality, or unenforceability shall not affect any other provision hereof, or of any exhibit or attachment thereto, but the Bond Resolution, and the exhibits and attachments thereto, shall be construed the same as if such invalid, illegal, or unenforceable provision had never been contained herein, or therein, as the case may be.

Section 9.7. Continuing Disclosure.

The City hereby covenants and agrees that it will provide financial information and material event notices as required by Rule 15c2-12 of the Securities Exchange Commission for the Bonds. The Mayor is authorized to execute at the Closing of the sale of the Bonds, an agreement for the benefit of and enforceable by the owners of the Bonds specifying the details of the financial information and material event notices to be provided and its obligations relating thereto. Failure of the City to comply with the undertaking herein described and to be detailed in said closing agreement, shall not be a default hereunder, but any such failure shall entitle the owner or owners of any of the Bonds to take such actions and to initiate such proceedings as shall be necessary and appropriate to cause the City to comply with its undertaking as set forth herein and in said agreement, including the remedies of mandamus and specific performance.

Section 9.8. Post Issuance Compliance.

The Issuer shall send copies of any such amendments or supplements to BAM and the rating agencies which have assigned a rating to the Insured Obligations.
- a) *Consent of BAM.* Any amendments or supplements to the Security Documents shall require the prior written consent of BAM with the exception of amendments or supplements:
 - i. To cure any ambiguity or formal defect or omissions or to correct any inconsistent provisions in the transaction documents or in any supplement thereto, or
 - ii. To grant or confer upon the holders of the Insured Obligations any additional rights, remedies, powers, authority or security that may lawfully be granted to or conferred upon the holders of the Insured Obligations, or
 - iii. To add to the conditions, limitations and restrictions on the issuance of bonds or other obligations under the provisions of the Security Documents other

conditions, limitations and restrictions thereafter to be observed, or

- b) *Consent of BAM in Addition to Bondholder Consent.* Any amendment, supplement, modification to, or waiver of, any of the Security Documents that requires the consent of holders of the Insured Obligations or adversely affects the rights or interests of BAM shall be subject to the prior written consent of BAM.
- c) *Insolvency.* Any reorganization or liquidation plan with respect to the Issuer [or Obligor] must be acceptable to BAM. The Trustee and each owner of the Insured Obligations hereby appoint BAM as their agent and attorney-in-fact with respect to the Insured Obligations and agree that BAM may at any time during the continuation of any proceeding by or against the Issuer or Obligor under the United States Bankruptcy Code or any other applicable bankruptcy, insolvency, receivership, rehabilitation or similar law (an “Insolvency Proceeding”) direct all matters relating to such Insolvency Proceeding, including without limitation, (A) all matters relating to any claim or enforcement proceeding in connection with an Insolvency Proceeding (a “Claim”), (B) the direction of any appeal of any order relating to any Claim, (C) the posting of any surety, supersedeas or performance bond pending any such appeal, and (D) the right to vote to accept or reject any plan of adjustment. In addition, the Trustee and each owner of the Insured Obligations delegate and assign to BAM, to the fullest extent permitted by law, the rights of the Trustee and each owner of the Insured Obligations with respect to the Insured Obligations in the conduct of any Insolvency Proceeding, including, without limitation, all rights of any party to an adversary proceeding or action with respect to any court order issued in connection with any such Insolvency Proceeding.
- d) *Control by BAM Upon Default.* Anything in the Security Documents to the contrary notwithstanding, upon the occurrence and continuance of a default or an event of default, BAM shall be entitled to control and direct the enforcement of all rights and remedies granted to the holders of the Insured Obligations or the Trustee or Paying Agent for the benefit of the holders of the Insured Obligations under any Security Document. No default or event of default may be waived without BAM’s written consent.
- e) *BAM as Owner.* Upon the occurrence and continuance of a default or an event of default, BAM shall be deemed to be the sole owner of the Insured Obligations for all purposes under the Security Documents, including, without limitations, for purposes of exercising remedies and approving amendments.
- f) *Consent of BAM for acceleration.* BAM’s prior written consent is required as a condition

precedent to and in all instances of acceleration.

- g) *Grace Period for Payment Defaults.* No grace period shall be permitted for payment defaults on the Insured Obligations. No grace period for a covenant default shall exceed 30 days without the prior written consent of BAM.
 - h) *Special Provisions for Insurer Default.* If an Insurer Default shall occur and be continuing, then, notwithstanding anything in paragraphs 4(a)-(e) above to the contrary, (1) if at any time prior to or following an Insurer Default, BAM has made payment under the Policy, to the extent of such payment BAM shall be treated like any other holder of the Insured Obligations for all purposes, including giving of consents, and (2) if BAM has not made any payment under the Policy, BAM shall have no further consent rights until the particular Insurer Default is no longer continuing or BAM makes a payment under the Policy, in which event, the foregoing clause (1) shall control. For purposes of this paragraph, “Insurer Default” means: (A) BAM has failed to make any payment under the Policy when due and owing in accordance with its terms; or (B) BAM shall (i) voluntarily commence any proceeding or file any petition seeking relief under the United States Bankruptcy Code or any other Federal, state or foreign bankruptcy, insolvency or similar law, (ii) consent to the institution of or fail to controvert in a timely and appropriate manner, any such proceeding or the filing of any such petition, (iii) apply for or consent to the appointment of a receiver, trustee, custodian, sequestrator or similar official for such party or for a substantial part of its property, (iv) file an answer admitting the material allegations of a petition filed against it in any such proceeding, (v) make a general assignment for the benefit of creditors, or (vi) take action for the purpose of effecting any of the foregoing; or (C) any state or federal agency or instrumentality shall order the suspension of payments on the Policy or shall obtain an order or grant approval for the rehabilitation, liquidation, conservation or dissolution of BAM (including without limitation under the New York Insurance Law).
- 5) Loan/Lease/Financing Agreement.
- a) The security for the Insured Obligations shall include a pledge and assignment of any agreement with any underlying obligor that is a source of payment for the Insured Obligations (a “Financing Agreement”) and a default under any Financing Agreement shall constitute an Event of Default under the Security Documents. In accordance with the foregoing, any such Financing Agreement is hereby pledged and assigned to the Trustee for the benefit of the holders of the Insured Obligations.
 - b) Any payments by the Obligor under the Financing Agreement that will be applied to the payment of debt service on the Insured Obligations shall be made directly to the Trustee at least fifteen (15) days prior to each debt service payment date for the Insured Obligations.
- 6) BAM As Third Party Beneficiary. BAM is recognized as and shall be deemed to be a

third party beneficiary of the Security Documents and may enforce the provisions of the Security Documents as if it were a party thereto.

7) Payment Procedure Under the Policy.

In the event that principal and/or interest due on the Insured Obligations shall be paid by BAM pursuant to the Policy, the Insured Obligations shall remain outstanding for all purposes, not be defeased or otherwise satisfied and not be considered paid by the Issuer, the assignment and pledge of the trust estate and all covenants, agreements and other obligations of the Issuer to the registered owners shall continue to exist and shall run to the benefit of BAM, and BAM shall be subrogated to the rights of such registered owners.

In the event that on the second (2nd) business day prior to any payment date on the Insured Obligations, the Paying Agent or Trustee has not received sufficient moneys to pay all principal of and interest on the Insured Obligations due on such payment date, the Paying Agent or Trustee shall immediately notify BAM or its designee on the same business day by telephone or electronic mail, of the amount of the deficiency. If any deficiency is made up in whole or in part prior to or on the payment date, the Paying Agent or Trustee shall so notify BAM or its designee.

In addition, if the Paying Agent or Trustee has notice that any holder of the Insured Obligations has been required to disgorge payments of principal of or interest on the Insured Obligations pursuant to a final, non-appealable order by a court of competent jurisdiction that such payment constitutes an avoidable preference to such holder within the meaning of any applicable bankruptcy law, then the Paying Agent or Trustee shall notify BAM or its designee of such fact by telephone or electronic mail, or by overnight or other delivery service as to which a delivery receipt is signed by a person authorized to accept delivery on behalf of BAM.

The Paying Agent or Trustee shall irrevocably be designated, appointed, directed and authorized to act as attorney-in-fact for holders of the Insured Obligations as follows:

- a) If there is a deficiency in amounts required to pay interest and/or principal on the Insured Obligations, the Paying Agent or Trustee shall (i) execute and deliver to BAM, in form satisfactory to BAM, an instrument appointing BAM as agent and attorney-in-fact for such holders of the Insured Obligations in any legal proceeding related to the payment and assignment to BAM of the claims for interest on the Insured Obligations, (ii) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Policy payment from BAM with respect to the claims for interest so assigned, (iii) segregate all such payments in a separate account (the "BAM Policy Payment Account") to only be used to make scheduled payments of principal of and interest on the Insured Obligation, and (iv) disburse the same to such respective holders; and
- b) If there is a deficiency in amounts required to pay principal of the Insured Obligations, the Paying Agent or Trustee shall (i) execute and deliver to BAM, in form satisfactory to

BAM, an instrument appointing BAM as agent and attorney-in-fact for such holder of the Insured Obligations in any legal proceeding related to the payment of such principal and an assignment to BAM of the Insured Obligations surrendered to BAM, (ii) receive as designee of the respective holders (and not as Paying Agent) in accordance with the tenor of the Policy payment therefore from BAM, (iii) segregate all such payments in the BAM Policy Payment Account to only be used to make scheduled payments of principal of and interest on the Insured Obligation, and (iv) disburse the same to such holders.

The Trustee shall designate any portion of payment of principal on Insured Obligations paid by BAM, whether by virtue of mandatory sinking fund redemption, maturity or other advancement of maturity, on its books as a reduction in the principal amount of Insured Obligations registered to the then current holder, whether DTC or its nominee or otherwise, and shall issue a replacement Insured Obligation to BAM, registered in the name directed by BAM, in a principal amount equal to the amount of principal so paid (without regard to authorized denominations); provided that the Trustee's failure to so designate any payment or issue any replacement Insured Obligation shall have no effect on the amount of principal or interest payable by the Issuer on any Insured Obligation or the subrogation or assignment rights of BAM.

Payments with respect to claims for interest on and principal of Insured Obligations disbursed by the Paying Agent or Trustee from proceeds of the Policy shall not be considered to discharge the obligation of the Issuer with respect to such Insured Obligations, and BAM shall become the owner of such unpaid Insured Obligations and claims for the interest in accordance with the tenor of the assignment made to it under the provisions of the preceding paragraphs or otherwise. The Security Documents shall not be discharged or terminated unless all amounts due or to become due to BAM have been paid in full or duly provided for.

Irrespective of whether any such assignment is executed and delivered, the Issuer, [Obligor] and the Paying Agent and Trustee agree for the benefit of BAM that:

- a) They recognize that to the extent BAM makes payments directly or indirectly (*e.g.*, by paying through the Paying Agent or Trustee), on account of principal of or interest on the Insured Obligations, BAM will be subrogated to the rights of such holders to receive the amount of such principal and interest from the Issuer/Obligor, with interest thereon, as provided and solely from the sources stated in the Security Documents and the Insured Obligations; and
 - b) They will accordingly pay to BAM the amount of such principal and interest, with interest thereon as provided in the transaction documents and the Insured Obligations, but only from the sources and in the manner provided therein for the payment of principal of and interest on the Insured Obligations to holders, and will otherwise treat BAM as the owner of such rights to the amount of such principal and interest.
- 8) Additional Payments. The Issuer agrees unconditionally that it will pay or reimburse BAM on demand any and all reasonable charges, fees, costs, losses, liabilities and expenses

that BAM may pay or incur, including, but not limited to, fees and expenses of BAM's agents, attorneys, accountants, consultants, appraisers and auditors and reasonable costs of investigations, in connection with the administration (including waivers and consents, if any), enforcement, defense, exercise or preservation of any rights and remedies in respect of the Security Documents ("Administrative Costs"). For purposes of the foregoing, costs and expenses shall include a reasonable allocation of compensation and overhead attributable to the time of employees of BAM spent in connection with the actions described in the preceding sentence. The Issuer agrees that failure to pay any Administrative Costs on a timely basis will result in the accrual of interest on the unpaid amount at the Late Payment Rate, compounded semi-annually, from the date that payment is first due to BAM until the date BAM is paid in full.

Notwithstanding anything herein to the contrary, the Issuer agrees to pay to BAM (i) a sum equal to the total of all amounts paid by BAM under the Policy ("BAM Policy Payment"); and (ii) interest on such BAM Policy Payments from the date paid by BAM until payment thereof in full by the Issuer, payable to BAM at the Late Payment Rate per annum (collectively, "BAM Reimbursement Amounts") compounded semi-annually. Notwithstanding anything to the contrary, including without limitation the post default application of revenue provisions, BAM Reimbursement Amounts shall be, and the Issuer hereby covenants and agrees that the BAM Reimbursement Amounts are, payable from and secured by a lien on and pledge of the same revenues and other collateral pledged to the Insured Obligations on a parity with debt service due on the Insured Obligations.

- 9) Debt Service Reserve Fund. The prior written consent of BAM shall be a condition precedent to the deposit of any credit instrument provided in lieu of a cash deposit into the Debt Service Reserve Fund, if any. Amounts on deposit in the Debt Service Reserve Fund shall be applied solely to the payment of debt service due on the Insured Obligations.
- 10) Exercise of Rights by BAM. The rights granted to BAM under the Security Documents to request, consent to or direct any action are rights granted to BAM in consideration of its issuance of the Policy. Any exercise by BAM of such rights is merely an exercise of the BAM's contractual rights and shall not be construed or deemed to be taken for the benefit, or on behalf, of the holders of the Insured Obligations and such action does not evidence any position of BAM, affirmative or negative, as to whether the consent of the holders of the Insured Obligations or any other person is required in addition to the consent of BAM.
- 11) BAM shall be entitled to pay principal or interest on the Insured Obligations that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer (as such terms are defined in the Policy) and any amounts due on the Insured Obligations as a result of acceleration of the maturity thereof in accordance with the Security Documents, whether or not BAM has received a claim upon the Policy.
- 12) So long as the Insured Obligations are outstanding or any amounts are due and payable to BAM, the Issuer shall not sell, lease, transfer, encumber or otherwise dispose of the [System] or any material portion thereof, except upon obtaining the prior written consent of BAM.

- 13) No contract shall be entered into or any action taken by which the rights of BAM or security for or source of payment of the Insured Obligations may be impaired or prejudiced in any material respect except upon obtaining the prior written consent of BAM.
- 14) If an event of default occurs under any agreement pursuant to which any Obligation of the Issuer has been incurred or issued and that permits the holder of such Obligation or trustee to accelerate the Obligation or otherwise exercise rights or remedies that are adverse to the interest of the holders of the Insured Obligations or BAM, as BAM may determine in its sole discretion, then an event of default shall be deemed to have occurred under this [Indenture] and the related Security Documents for which BAM or the Trustee, at the direction of BAM, shall be entitle to exercise all available remedies under the Security Documents, at law and in equity. For purposes of the foregoing “Obligation” shall mean any bonds, loans, certificates, installment or lease payments or similar obligations that are payable and/or secured on a parity or subordinate basis to the Insured Obligations.
