Council Agenda Request

Date: August 8, 2024

From: Christina Smith, Finance Officer

Subject: 2025 Budget

Discussion: See attached spreadsheet for overview of the numbers.

My changes are in Yellow. These are changes after reviewing final numbers and making a few changes.

1. Added the Big Sioux Storm project in 2025 – anticipating this project will not quite be completed in 2024 with some items left over in 2025. Estimated about 10% of the project’s costs in 2025. Revenue side is fund balance and expense side would come out of the storm sewer general fund.
2. Water fund balance decreased to balance – we could move the backhoe equipment in water fund as there was a surplus.
3. Reduced golf course fund balance because reduced a couple of items in the golf course capital items. Removed pickup and windows to reduce the amount of fund balance being used in one year.
4. Pool – increased wages based on projections for the end of year this year and adding about 6%.
5. Parks – adjusted turf care as we oversee more areas, changed a few other items. Overall, a \$5,500 increase.
6. Street Maint – overall number does not change. Putting more towards Slurry seal and could be more after more review.
7. Water Conservation wages – we have added 4 people this year. I increased wages to reflect the number of average meetings and number of people on the committee.
8. Water – few adjustments on hired repairs and utilities.
9. Sewer – adjusted lift station rehab to balance out fund

Orange items are for discussion with council to make a decision on:

1. A request was submitted to change the council and mayor’s wages. Those are reflected in orange. Do you want to keep this change or move back to the requested budget?
2. General Govt Bldg – remove the roofs?
3. Fire Dept – fund staffing or not? All or a portion?
4. Paved Streets – during CIP I estimated \$250,000 for equipment. With the backhoe they would be at \$335,000 but the backhoe could be moved to water department if needed.
5. Parks Equipment – during CIP I estimated \$70,000.00 for park equipment. They are currently at 133,700 in the budget. Does council want to remove an item from the list?
6. Park/Pool CIP – during CIP I estimated \$500,000.00 for park improvements. They are currently at \$575,000.00 with park, paths and pool improvements. Does council want to remove an item?
7. Sioux Metro – continue with membership or not?

Financial Considerations:

If you remove the roof replacement at \$325,000 the deficit in the general fund would be (\$343,416.00). Other requests to consider are the fire department staffing at \$270,410.00, moving the backhoe to the water fund, or look at park items. The other funds are balanced.
