

## Lawn Watering restrictions/ ban exceptions

The City of Brandon will grant exceptions to the watering restrictions/ban for those homeowners who meet the following criteria:

For property owners with **sod**:

- **Priority 1- sod that has been installed for 0-14 days**
  - Property owners will be allowed to water **2 times a day for 10 minutes** on each zone until new sod has been covered.
  - Property owners will inform the City of Brandon of what time of day the watering will occur. **No** watering will be permitted outside of the designated time.
- **Priority 2- sod that has been installed for 15-30 days**
  - Property owners will be allowed to water **once a day for 10 minutes** on each zone until new sod has been covered. The property owners will follow the even/odd restriction based on the address number of the property(i.e. 100 Brandon St. on even numbered days of the month, 101 Brandon St. on odd numbered days of the month.)
  - Property owners will inform the City of Brandon of what time of day the watering will occur. **No** watering will be permitted outside of the designated time.
- **Priority 3- sod that has been installed for 30-60 days**
  - Property owners will be allowed to water **once a day for 5 minutes** on each zone until new sod has been covered. The property owners will follow the even/odd restriction based on the address number of the property(i.e. 100 Brandon St. on even numbered days of the month, 101 Brandon St. on odd numbered days of the month.)
  - Property owners will inform the City of Brandon of what time of day the watering will occur. **No** watering will be permitted outside of the designated time.
- **Priority 4- sod that has been installed for over 60 days**
  - Follow the current watering restrictions for the color coded status that the City has posted on the City website.

# Lawn Watering restrictions/ ban exceptions

For property owners have newly **seeded lawns**:

- **Priority 1- lawns that have been seeded for 0-30 days**
  - Property owners will be allowed to water **2 times a day for 10 minutes** on each zone until newly seeded area has been covered.
  - Property owners will inform the City of Brandon of what time of day the watering will occur. **No** watering will be permitted outside of the designated time.
- **Priority 2- lawns that have been seeded for 31--60 days**
  - Property owners will be allowed to water **once a day for 5 minutes** on each zone until new sod has been covered. The property owners will follow the even/odd restriction based on the address number of the property(i.e. 100 Brandon St. on even numbered days of the month, 101 Brandon St. on odd numbered days of the month.)
  - Property owners will inform the City of Brandon of what time of day the watering will occur. **No** watering will be permitted outside of the designated time.
- **Priority 3- lawns that have been seeded for over 60 days**
  - Follow the current watering restrictions for the color coded status that the City has posted on the City website.

The City ordinance states that there should be **NO** watering between the hours of **10 a.m. to 6 p.m.** during mandatory restrictions. The watering restrictions run year round now.  
**ABSOLUTELY NO WATERING BETWEEN 10 A.M. AND 6 P.M.**

Resolution #11-17
